

DUET MIRROR FINISH

NAIL SHINER

- **EASY TWO STEP PROCESS**
- **VERSATILE TORPEDO SHAPE**
- **SUPER HIGH SHINE**

THIS PRODUCT: The Mirror Finish can be used on both artificial enhancements along with natural nails. It was designed for greater surface contact for faster more efficient shinning.

HOW TO USE: To bring artificial enhancements to a high shine: use as the last step in the buffing process. Start with step 1 the blue side. Next, continue with step 2 the pink side.

When doing a manicure, follow the same steps as you would for artificial enhancements.
