

# INM NAIL TIPS

## Versatility, Flexibility, and Durability... at Your Fingertips

- 100% pure ABS plastic
- Superior strength and durability
- A style to fit any nail shape

**Timeless-** Is a full well tip designed to be the most universal. This tip will fit most clients and it is perfectly curved with a large contact area. This tip is great for someone with short nail beds or nail bitters.

**Exact-** Is a tip that was designed without a well and does not need to be blended. It has a smile line that will compliment any nail bed long or short. It has reinforced sidewalls and a c-curve that will fit all clients.

**Extreme-** Is a French White tip without a well. It gives the look of a sculptured nail when applied. The sidewalls are very straight along with a deeper smile and a very deep c-curve. This tip is perfect for someone that wants a more dramatic look. These tips are perfect for gel users that want a c-curve in their nails.
