

# **“OUT THE DOOR” FAST SET TIP & NAIL GLUE**

From the Name that Means “Fast” Comes a Bond that will last

- **Maximum Speed**
- **Maximum Strength**
- **Moisture Resistant**
- **No-Clog Tip**

**THIS PRODUCT:** Dependable, as it is strong and fast, “Out The Door” nail glue is an ethyl cyanoacrylate adhesive. It has a thinner viscosity which means that it will dry faster and will still maintain maximum strength. A great product to retail to your clients for a quick fix.

**HOW TO USE:** When using a tip, apply a small amount of “Out The Door” nail glue on the well of the tip. The nail glue will air dry in five seconds. Remember to wipe the dropper tip before replacing the cap.

**OUT THE DOOR Fast Set Tip & Nail Glue** is available in

- 3gm dropper tipped bottle
