

PRO-TECH SYSTEM NATURAL NAIL STRENGTHENER

THIS PRODUCT: Pro-Tech nail strengthener creates strong natural nails upon extended use. The treatment revives and rejuvenates nails, making them less susceptible to tears and cracking.

HOW TO USE: Brush one coat of Pro-Tech natural nail strengthener and allow it to dry for approximately two minutes. Apply a second coat if desired and allow to dry. Re-apply every 1-3days. Remove product after one week and repeat above. It is recommended that you use this product alone.
